**Candidate List of Substances of Very High Concern for Authorisation (SVHC)****TO WHOM IT MAY CONCERN**

Hamburg, 2011-07-04

We hereby confirm that the products of Schill + Seilacher "Struktol" GmbH do not contain any substances listed on ECHA's *Candidate List of Substances of Very High Concern for Authorisation (SVHC)* as of of **June 20, 2011**. No SVHC are intentionally added or knowingly contained in any of our products.

Taking into account the many factors that may affect processing and use, our data does not free our customers from carrying out their own tests and ensure their own compliance with EU law. In addition, our data does not imply any guarantee of certain properties, nor the suitability of the product for a given purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Best Regards,

Schill+Seilacher "Struktol" GmbH

ppa.
